## ***Fall Foto Fest Steps Back in Time with the 1812 Royal Scots Re-enactors ...***

Step back in time to the year 1812, as British troops attempt to expel American invaders.

Hear the crack of the musket and the roar of the cannon. Come and experience life in the early 19th century. See the colourful clothing, smell the food prepared over open fires, and experience the foot soldiers' camp. That's right, the troops will be setting up camp and spending the weekend with us at Fall Foto Fest.

This will be a great photo addition to our weekend event. We will host morning workshops using the re-enactors as our backdrop and then, mid morning you'll have the opportunity to photograph the action during their mock battle.

## ***Bonus Saturday Night: Available Light Workshop at 1812 Camp***

We are pleased to offer a Saturday Night Workshop at the 1812 Camp. The re-enactors' camp is an authentic 1812 set-up, complete with camp fires and candles. A great opportunity to try available light imagery.

Join us for the FFF dinner Saturday night, then head out for an evening of night photography.

***Studio Photography / Easy Portraits:*** We are pleased to feature Lambton College's Digital Photography Department Director, Richard Beland add in the help of a few 1812 re-enactors in costume and you will be learning lighting and posing techniques. This is a hands-on workshop offering plenty of photo opportunities. Richard will show you art of positioning the lighting to achieve dramatic results.

***Photo Composition 2.0:*** This workshop will help you understand the art of composing a photograph. Join photographer Elizebeth Hunt as you explore the art of composition. This will be a combined in class and outdoor workshop building your understanding of your camera, its settings and how it ties into composure of your image.

***The Art of Cell Phone Photography:*** It's 2019 and the smartphone has changed our lives, texting, emails, and it even takes great photos! Phone/camera technology, amazing apps and great quality lenses, the smart phone is one step closer to the camera we use all the time. This workshop will show you how to turn your phone into one of the best cameras you have ever had. Join photographer and Photo Tour Trekkers host Harry Cartner as you explore the art of cell phone photography. Type of smartphone? Does not matter can be iPhone or Android.

***Incredible Indoor Macro Photo Projects:*** Come explore the world up close. This workshop will help you build those skills. We will be working on the following topics, Smoke Photography, Splash Photography, Water Drops, Fine Art Food, Abstracts in Oil, Still Life Trails, and Refractive Art. Close-up or macro lens recommended. Join Photo Tour Trekkers Photography Host Alayne Brisson for this great workshop.

***Water Garden and Flowers Workshop:*** If you enjoy photographing water gardens and flowers this is great workshop for you. Join Photo Tour Trekkers photographer Leif Petersen as helps you see flower photography in a different light. During this workshop the group will be visiting a water garden and gardens in Bayfield.

## ***3 Hour Master Class Sessions - Complete with hand-out material***

***Video Creations with Brad Turner - Master Class 3 hour session limit 10 people:*** Join director, producer and photographer Brad Turner as he teaches our master class on creating videos. Learn from one of the best as Brad takes you into the world of video and how to create a production from any experience. Brad will take you outside and help you create a video short using our 1812 camp and re-enactors as the backdrop and subject. Every digital camera has a video option and with a few tips you will be producing quality videos fit for any *presentation*.

***Adobe Photoshop and Lightroom - Master Class 3 hour session limit 10 people:*** Adobe Photoshop and Lightroom has now become the mainstay for working with digital images. During our 3 hour master class you will work on post-processing, retouching and artistic techniques. We also spend time post processing some of the images you shot during our 1812 re-enactment. This is an advanced workshop and you will need to come to class with Adobe Photoshop and Lightroom loaded and working on your computer. Join Director of Photo Tour Trekkers James Cowie as he guides you through the world of Photoshop and Lightroom.

**PLEASE NOTE THE 1812 RE-ENACTMENT IS PART OF FALL FOTO FEST - YOU MUST BE REGISTERED TO ATTEND**

**Registration Deadline Monday, September 30th, 2019**
